

PERFORMANCE NOTES

The Rose Brampton is presenting in-person outdoor performances in accordance with [provincial guidelines](#), including limited capacity, physical distancing, and minimizing contact. The health and safety of patrons, artists, and staff remain our top priority. We will continue to monitor and respond to policy changes, to offer the best and safest experience possible.

Availability: There are 20 tickets available for each performance, subject to change.

Tickets: Upon booking, you will receive email confirmation of your registration. You will be checked in with the name and number of people in your party from that registration.

What to bring: You are welcome to bring a chair or blanket on which to sit during the performance; chairs will not be provided. Chinguacousy Park is an outdoor venue: sun protection, bug spray, and clothing appropriate for the weather are recommended.

When to arrive: Performances will begin on schedule. Please arrive at the performance area at least 10 minutes in advance, and note that it will take a few minutes to walk from the parking to the performance areas.

Walk-ups: Walk-ups will be accepted if space is available, but it is strongly recommended to book tickets in advance, online or by phone. This will ensure that health guidelines can be met.

Physical Distancing: You will be directed to sit in a physically-distanced designated area, where you will be asked to remain for the duration of the performance.

Weather: Events take place rain or shine. In case of extreme weather, ticket-holders will be informed of the performance's cancellation as soon as possible.

Food & Beverage: Food and beverages are permitted during the performance. Masks may be removed briefly to eat or drink. Concessions are not sold onsite.

Washrooms: Portable washrooms are available onsite.

Pets: With the exception of service animals, pets are not permitted in the performance area.

Parking: Parking is available at Chinguacousy Park.

Masks: The City of Brampton requests that all attendees wear masks, unless they are unable to for medical reasons or if they are under the age of two. Guests may remove masks once seated in their physically-distanced designated area. Please note masks are required for all indoor areas including washrooms. Read more about Chinguacousy COVID-19 updates and mask requirements [here](#), and the

City of Brampton's [Mandatory Mask By-law 135-2020](#).

Please note that Chingacousy Park is a public space. Be mindful of individuals using the park at their leisure. Help to minimize impact on the park; respect green spaces by not littering or disturbing the environment.
