---

The City of Brampton has temporary restrictions in place in order to provide a safe environment for performers and staff. While health and safety measures are in place due to COVID-19, minimal in person interaction will ensure health authorities' ability to complete accurate contact tracing. In order to establish the accountability and transparency required to make venue services safe, comfortable and accessible, these restrictions apply to all artists who visit Performing Arts venues.

For the purpose of this document, 'performer(s)' refers to all artists, crew and artist representatives.

### OVERVIEW

---

Catered meals, delivery, groceries, drinks and snacks ("hospitality") are often ordered for performers and presenters at Performing Arts venues. Arrangements are made by Artist Services based on the requirements in the performance or rental contract.

### OPTIONS & LIMITATIONS

---

In order to ensure the health and safety of staff, artists and members of the public, food and drink available at Performing Arts venues is currently limited to pre-packaged single-serving items.

#### Meals

Currently, a meal buyout is the only option available; catered meals will not be provided. The Artistic Programming Coordinator will discuss details at the contracting phase, and the Technical Stage Hand will follow-up during advancing phase. Information can be provided onsite about local restaurants and food delivery options.

#### Snacks and Beverages

The following pre-packaged single-serving items will be available onsite:

- Granola/protein bars
- Chips
- Water

#### Dressing Rooms and Green Room

If requested, dressing room space will be in The Rose Studio. The following set-up will be provided:

- Room divider for privacy

Efforts will be made to accommodate requests for items not listed above, within the existing equipment inventory. Other areas may be assigned as dressing rooms, at the discretion of the City of Brampton and based on availability.

#### Transportation

Third Party transportation may be negotiated at the contracting stage through the Artistic Programming Coordinator. Transportation will not be provided by the City of Brampton staff.
