There is currently an inherent risk of exposure to COVID-19 in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death, especially to senior citizens and individuals with underlying medical conditions. Renters must comply with all posted City instructions and understand and assume all risks related to exposure to COVID-19.

Due to the nature of COVID-19 restrictions this information is subject to change with little notice. Under the [Reopening Ontario Act](#), gatherings and events are currently limited to a maximum of ten (10) participants indoors and twenty-five (25) participants outdoors. 'Participant' includes all individuals at the venue as part of the event team (staff, volunteers, performers, crew), and excludes City of Brampton Performing Arts staff. For additional information, see [COVID-19 Response Framework: Keeping Ontario Safe and Open](#).

All Performing Arts venues are currently closed to the public; events with in-person audiences are not possible.
