There is currently an inherent risk of exposure to COVID-19 in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death, especially to senior citizens and individuals with underlying medical conditions. Participants must comply with all posted City instructions, and understand and assume all risks related to exposure to COVID-19.

Due to the nature of COVID-19 restrictions this information is subject to change with little notice. 'Participant' refers to all individuals attending the event in any capacity.

The City of Brampton is working in accordance with the provincial [COVID-19 Response Framework: Keeping Ontario Safe and Open](#); this fact sheet outlines how current guidelines are being applied in Performing Arts venues.

**All Performing Arts venues are currently closed to the public; events with in-person audiences are not possible.**

## REQUIREMENTS

---

### Distancing

- All participants must maintain a physical distance of at least two (2) metres or six (6) feet from all people, except when:
  - Necessary for the participants to be closer to each other for the purposes of the performance or rehearsal
  - Necessary for the purposes of health and safety
- Singers and players of brass or wind instruments must be separated:
  - From spectators by plexiglass or impermeable barrier (Prevent, Protect and Restrict levels)
  - From others, including other performers, by plexiglass or other impermeable barrier (Control level)

Rolling plexiglass frames will be used to ensure proper separation.

### Masks

In accordance with [City of Brampton By-Law 135-2020](#), face masks must be worn in all indoor spaces, including the parking garage, elevators, lobby and theatre. Each participant will have a physically distanced space in the theatre. Masks must be worn at all times while participants are moving to and from their assigned space, but can be removed while participants are seated in their assigned location. Participants are encouraged to keep masks on whenever possible, including during rehearsals and performances. Masks are not provided by the City of Brampton.

### Cleaning and Disinfecting

Any show-related items brought by participants or third party vendors must be disinfected prior to entering the facility, and handled by the participants. If City staff are required to handle equipment, arrangements must be made in advance. Non-essential personal items must remain outside the facility.

### Designated Spaces

Designated spaces are the areas in the facility that participants may use or pass through. These areas will be determined by the City of Brampton, based on the event details. Entrances to the stage and dressing room areas are marked with signage and floor decals.

### Equipment

- Whenever possible, participants should provide their own backline and microphones
- Participants must provide their own covers for any woodwind or brass instruments
- Spit valves may only be used with an absorbent cloth or towel in place; any area used for a spit valve must be cleaned up by the participant using designated cleaning products that will be provided by the City of Brampton

### Security

Security will be scheduled based on event requirements, as determined by the City of Brampton.

### RESTRICTIONS

---

- Maximum capacity limit is ten (10) people per event, including all participants
- Performance time is limited to a maximum of 75 minutes with no intermission
- Closed rehearsals can exceed 75 minutes, depending on the activities taking place
- For events programmed by Performing Arts, the City of Brampton will have exclusive control over the operation of lighting and video elements

The capacity for any room or space within the venue may be less than the maximum provincially mandated capacity for an event in order to ensure that all physical distancing measures are followed. This capacity may also vary depending on the event-specific configuration. As such, only people essential to the operation of the event are permitted in the facility.

### CONTACT TRACING

---

#### Rehearsals

'Rehearsals' also include workshops, meetings and Film Services activities. The Agreement holder is responsible for collecting the full name and phone number of each participant at each rehearsal, either through advance registration or onsite sign-in. This information must be provided to the City of Brampton or Peel Public Health upon request. Prior to arrival, all participants must complete screening, and may not enter the building if they:

- Currently have COVID-19, or are awaiting COVID-19 test results
- Are experiencing a fever, cough, or difficulty breathing
- Have travelled outside of Canada in the past fourteen (14) days
- Have been in close contact with anyone who has travelled outside of Canada in the past fourteen (14) days
- Have been in close contact with anyone with a confirmed or probable case of COVID-19 in the past fourteen (14) days

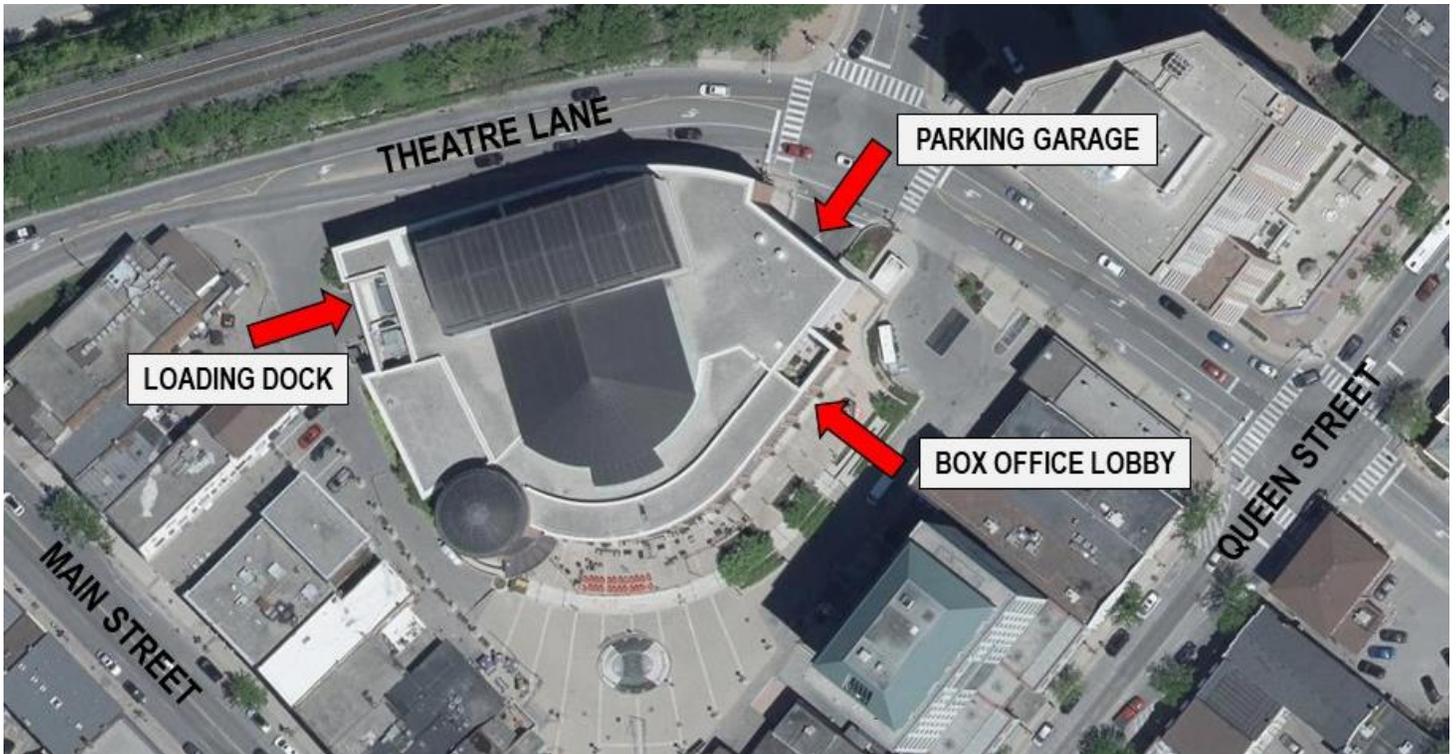

#### Performances

'Performances' include filming for pre-recorded or live broadcast. Prior to performances, the City of Brampton will request:

- The designated onsite contact
- The name and phone number of every person entering the facility
- The responses to screening questions on behalf of every person entering the facility:
  - Do you have any of the following symptoms: fever, cough, difficulty breathing?
  - Have you travelled outside of Canada in the past fourteen (14) days?
  - Have you been in close contact with anyone who has travelled outside of Canada in the past fourteen (14) days?
  - Have you been in close contact with anyone with a confirmed or probable case of COVID-19 in the past fourteen (14) days?

Upon arrival outside the facility, City of Brampton will confirm all contact information and that responses to screening questions are negative for all participants. Participants who answer “yes” to any screening questions will not be allowed to enter the facility.

### ARRIVAL & DEPARTURE

Based on event details, the City of Brampton will provide:

- Arrival times
- Venue entrances and exit locations
- Designated space(s) and corresponding capacity
- Applicable maps and layouts

One (1) loading dock can be made available for equipment if requested in advance. Loading dock doors may be used as an entrance/exit if not in use by another group.

Upon arrival, participants must proceed directly to their designated space(s). Only participants are permitted in the facility, including all designated spaces as well as the 24 hour Box Office lobby, for the duration of the event, including any pick up and drop off period. Drivers, including parents of youth participants, who are dropping people off must wait outside or in the parking garage.

Entry to the facility is not possible prior to the scheduled entry time. If participants do not arrive at the scheduled time, the time allotted may be reduced at the City of Brampton’s discretion. All participants must exit the facility immediately following the end of the event.
