

SHAKE IT UP! STUDENT SHAKESPEARE FESTIVAL: RADIO PLAY SERIES

While schools in Ontario are closed, The Rose Brampton's professional theatre instructors are leading FREE virtual camps that take place over the phone as teleconferences!

10-12 participants will rehearse and develop a 30-minute condensed Shakespeare play, over five consecutive days, Monday to Friday, just like a real camp – and only for 90 minutes a day.

- During their time together, the group will
- learn vocal warm-ups
- participate in drama games and activities
- undertake character development exercises
- analyze themes and context
- rehearse their roles
- establish sound effects
- make a recording of their performance
