

GARDEN SQUARE LED SCREEN SUBMISSION FORM & GUIDELINES

The City of Brampton is committed to offering an accessible, safe, and barrier-free experience for all. For accessibility requests and questions about the collection of personal information, contact rentaladmin@brampton.ca or 905.874.2844.

The outdoor Light Emitting Diode (LED) screen in Garden Square is used in conjunction with events held in Garden Square, but may also be used for other content to be aired when no events are taking place. Content, including artistic work and community information, can be submitted for consideration in accordance with these guidelines. There is no charge if content is accepted, and no remuneration will be provided by the City of Brampton, unless otherwise stated. For more information about screen content submission, email garden.square@brampton.ca.

The screen plays a repeating automated rotation of all current content; the length of the rotation varies depending on the amount of content. The frequency and timing of when content will play cannot be pre-determined. To rent Garden Square for an event, or for exclusive, scheduled use of the screen for a public presentation, submit an event Request Form, available in the [Book the Square](#) section of the Garden Square website. For more information about venue rental, email rentaladmin@brampton.ca.

The screen is located in a highly visible, public space that is accessible to all residents; all content must be appropriate for all ages. Commercials other than as required by broadcast rights or as part of a City-endorsed initiative, as well as personal celebrations, greetings and salutation are not permitted. For sponsorship opportunities, email sponsorbrampton@brampton.ca.
